

Clinical Consultant

Elizabeth Freeman Center, Inc. seeks a passionate and experienced clinical consultant to work 12-15 hours a week as a clinical supervisor for EFC staff to ensure staff are supported and clients receive exceptional, holistic, accessible, confidential, trauma-informed counseling and advocacy!

Supervisor: Executive Director

Primary Responsibilities include:

- Assist to ensure all direct-service staff meet the DPH standard of required supervision (1 hour for every 20 hours of direct client contact)
- Provide regular clinical supervision and support for direct service counselor/advocates
- Facilitate the learning of staff regarding trauma, mental health, attachment and addiction
- Monitor record keeping and compliance with confidentiality requirements
- Provide support to staff with urgent needs relating to emergency interventions, including suicide risks assessments, mandated reporting consultations and assistance with de-escalation, in a timely manner
- Participate in regular meetings with program manager and management team to facilitate communication across programs.

Qualifications:

- LICSW required
- Experience providing supervision required
- Preferably, supervision would take place in person at EFC offices
- Clinical supervision specific training preferred
- Knowledge of generally accepted counseling practices, standards, and legal responsibilities
- Excellent interpersonal, communication, and conflict resolution skills
- Experience working with sexual assault and domestic violence survivors preferred

Compensation and benefits:

This position has a range of \$50 to \$65 per hour depending on experience and qualifications. This is a consultant position and is not eligible for benefits or paid time off through EFC

Applying:

To apply, please send a cover letter and resume to jobs@elizabethfreemancenter.org. Applications are rolling until the position is filled.
